Do you know of an exceptional doctoral student who is aligning his or her research with the RRBM Principles of Responsible Research?

[Org name] is pleased to join the RRBM Community in announcing the **RRBM Dare to Care Dissertation Scholarship**. Applications are accepted now through November 30, 2022 at www.rrbm.network/daretocare. Please encourage eligible doctoral students to apply!

About the RRBM Dare to Care Dissertation Scholarship:

Scholarships of up to $10,000 each will be awarded to doctoral students in business schools who are conducting dissertation research aligned with the RRBM Principles of Responsible Research. Eligible research topics will generate knowledge or ideas to reduce inequality or promote social justice, especially focusing on the role of business organizations. Inequality or injustice issues that relate to one or more of the social or economic dimensions of the United Nations' Sustainable Development Goals are of special interest to this dissertation scholarship program.

Applications will be accepted November 1 - 30, 2022. Award decisions will be announced March 1, 2023.

The eligible applicant is a doctoral candidate at the beginning stage of the dissertation research; is studying in a business school in any of the disciplines as long as the research falls within the domain described above; and demonstrates a commitment to the RRBM Principles of Responsible Research.

The RRBM Dare to Care Dissertation Scholarship is sponsored by the Responsible Research in Business and Management (RRBM) community, with generous co-sponsorship from the International Association for Chinese Management Research (IACMR) and the Georgia Tech CIBER.
